|------------------------------|----------|
| 100 001€ - 1 000 000€ | -1% |

| > 1 500 000€ | -2.5% |

2.3 Agency Commission

An Agency Commission of fifteen percent (15%) is granted to any Advertiser whose advertising orders are placed through an Authorised Account Payer.

It is calculated on the gross rate excluding tax for the related campaign.

2.4 Multiple Mandatory Discounts

Any Advertiser purchasing their campaigns from Extime Media in 2025 through an Authorised Account Payer holding at least two mandates generating invoicing by Extime Media will benefit from a discount determined by segment of net turnover excluding taxes generated by the campaigns purchased by the Authorised Account Payer and executed during the year 2025.

Non-compliance with any of the conditions qualifying the status of the Authorised Account Payer entails the loss of the benefit of this discount, whether this non-compliance is the responsibility of the Advertiser and/or its Account Payer.

It shall be calculated on the basis of the gross rate, excluding tax, of the corresponding campaign, after deduction of other discounts for higher ranks granted, under the above conditions.

| Gross Turnover (excl. Taxes) | Discount |
|------------------------------|----------|
| 100 000€ - 200 000€ | -1% |
| 200 001€ - 500 000€ | -2% |

3. Add-on factor pluri-advertiser

Any campaign by an Advertiser featuring a brand, a product and/or logo of one or more other Advertiser(s) must be subject, prior to its reservation, to an agreement from Extime Media.

A cost increase of fifteen percent (15%) will then be applied for each additional logo and/or brand.

This rate increase applies to the gross media rate excluding tax for the campaigns.
